### ***Reviews***

*This publication might be well worth a read through, and much better than other. It is amongst the most incredible book i actually have read through. I am delighted to tell you that here is the finest book i actually have read through inside my own life and could be he best ebook for possibly.*  
(Aracely Hickle)

## THE GREAT HUNGER: IRELAND 1845-1849

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Great Hunger: Ireland 1845-1849, Cecil Woodham-Smith, The Irish potato famine of the 1840s, perhaps the most appalling event of the Victorian era, killed over a million people and drove as many more to emigrate to America. It may not have been the result of deliberate government policy, yet British 'obtuseness, short-sightedness and ignorance' - and stubborn commitment to laissez-faire 'solutions' - largely caused the disaster and prevented any serious efforts to relieve suffering. The continuing impact on Anglo-Irish relations was incalculable, the immediate human cost almost inconceivable. In this vivid and disturbing book, Cecil Woodham-Smith provides the definitive account. 'A moving and terrible book. It combines great literary power with great learning. It explains much in modern Ireland - and in modern America' - D.W. Brogan.
