## SOCIAL COLLATERAL: WOMEN AND MICROFINANCE IN PARAGUAY'S SMUGGLING ECONOMY

University of California Press. Paperback. Book Condition: new. BRAND NEW, Social Collateral: Women and Microfinance in Paraguay's Smuggling Economy, Caroline E. Schuster, Microcredit is part of a global trend of financial inclusion that brings banking services, especially small loans, to the world's poor. In this book, Caroline Schuster explores Paraguayan solidarity lending as a window into the tensions between social development and global finance. Social Collateral tracks collective debt across the commercial society and smuggling economies at the Paraguayan border by examining group loans made to women by nonprofit development programs. These highly regulated loans are secured through mutual support and peer pressure - social collateral - rather than through physical collateral. This story of social collateral necessarily includes an interwoven account about the feminization of solidarity lending. At its core is an economy of gender - from pink - collar financial work, to men's committees, to women smugglers. At stake are interdependencies that bind borrowers and lenders, financial technologies, and Paraguayan development in ways that structure both global inequality and global opportunity.
