L27 2005j OCLC Number: (OCoLC)61669411 Subject: Head Start programs -- Law and legislation -- United States. Excerpt: . . . 15 Training and technical assistance The committee bill changes the training and technical assistance set-aside from at least two percent in current law to two per-cent and directs that half of those funds be sent directly to local grantees so that programs have a reliable source of funding for training and technical assistance activities. The remaining 50 per-cent spent by the Secretary provides the Secretary adequate flexi-bility to conduct appropriate Federal training and technical assist-ance to help individual programs meet the Head Start quality standards. The committee bill allows training and technical assistance funds to support a regional or State system of early childhood education training and technical assistance. The committee encourages the Secretary to include in its regional system, assistance for the Mi-grant Seasonal Head Start program and the American Indian Alas-ka Native programs. The committee encourages the Secretary to provide the training and technical assistance for these two pro-grams through National awards by contractors with knowledge of, and experience in, working with the populations served by these programs. The committee bill also restricts the use of training and technical assistance funds for travel expenditures associated with attending conferences when similar training and technical assistance is avail-able locally. It is the committees view that occasional travel to con-ferences and events may be necessary but only as such conferences relate to the overall effectiveness and quality of Head Start pro-grams and outcomes. Excessive travel to Head Start conferences and events, especially those outside the continental United States, is generally...
