

Trauma Made Simple: Competencies in Assessment, Treatment and Working with Survivors (Paperback)

By Dr Jamie Marich

Pesi Publishing Media, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. In Trauma Made Simple, trauma expert Dr. Jamie Marich brings her practical style of training to print, using clinical common sense to wade through theory, research, and hype surrounding trauma. Learn about trauma in a way that is relevant to clinical work, including extensive coverage on PTSD and other diagnoses through a bio-psycho-social-spiritual lens. Make clinically informed decisions based on setting, client preparedness, and other contextual variables. Develop strategies for treatment planning based on the best possible treatments in the field today. Trauma Made Simple addresses a variety of issues that are imperative to trauma competency in clinical work, including how to handle grief and mourning, assessing for and addressing addiction (even if you are not an addiction counselor) and how to manage professional development issues, including self-care.

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

-- **Juston Mraz**

It in one of the best book. Better then never, though i am quite late in start reading this one. You wont feel monotony at at any moment of the time (that's what catalogues are for regarding in the event you check with me).
