Cornerstone. Paperback. Book Condition: new. BRAND NEW, This is Where We Live, Janelle Brown, Life is beautiful for Claudia and Jeremy. They are a young, bohemian couple whose hard work in both the film and music world is finally paying off. Claudia's first film is in the can and Jeremy and his band are going places. Now seems like the perfect time to settle down and buy a house. But this is summer 2008, and the credit crunch is round the corner. In a matter of weeks Claudia's film becomes a box-office flop, Jeremy's band stalls and - worst of all - they find themselves unable to pay the mortgage, with the bank threatening repossession. The life they've been dreaming of comes tumbling down around them. Claudia takes a teaching job in attempt to placate the bank, and suddenly everything their relationship has been built on looks precarious. Jeremy sees her 'selling out' as a betrayal of their bohemian values, and when his glamorous ex-girlfriend Aoki, a famous painter, returns to LA, Claudia starts to realise that her relationship is in danger of disintegrating unless she does something to save it.
