ENGLISH FOR NURSES

Jaypee Brothers Medical Publishers (P) Ltd., 2011. Softcover. Book Condition: New. First edition. Key Features This book begins with a historical perspective of the English language and gradually moves on to delineate its evolution, over the centuries, into the present non-native English. The entire text is divided into five parts: first one treks through challenging terrains of English grammar with consummate ease and it familiarises the users to these aspects of grammar in the context of the special purpose that the book addresses at the world level.
