

## Race Reconciliation in America

Filesize: 1.16 MB

### ***Reviews***

*Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

Lexington Books. Hardcover. Book Condition: New. Hardcover. 230 pages. Dimensions: 9.4in. x 6.1in. x 1.1in. Race and racism have played a divisive and defining role throughout much of Americas history. Slavery, Jim Crow laws, segregation, and Ku Klux Klan terrorism have inflicted deep psychic wounds, social disparities, and economic disadvantages that have diminished the promise of equal rights and opportunities for all. While much progress in race relations has been made in recent years including the election of Barack Obama as President of the United States it is clear that our journey to a post-racial era is far from complete. In virtually every measurable category, whether income levels, job opportunities, access to health care, life expectancy, high school diplomas, incarceration rates, do not fare well compared to their white counterparts. The dialogue entitled Race and Reconciliation in America was convened to provide a forum for a long overdue, open, honest, and constructive discussion among people of good will about the need for the American people to truly grasp the depth of past misdeeds, why the legacies of past oppression persist, and how we can achieve a more fair and just society embodied in the American Dream. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
