THE GREAT EQUAL SOCIETY: CONFUCIANISM, CHINA AND THE 21ST CENTURY

World Scientific Publishing Co Pte Ltd. Paperback. Book Condition: new. BRAND NEW, The Great Equal Society: Confucianism, China and the 21st Century, Young-oak Kim, Jung-kyu Kim, A society without lawsuits, this is how Confucius famously described his vision of utopia on earth, called the Great Equal Society. For Confucius, widespread litigation was the symbol of mistrust and contention which characterized a money-grabbing society. Instead of spending a fortune on armies of lawyers and thick contracts, should we not restore humanity and morality to our society, so that we do not have to sue one another? In this paradigm-shifting book, the authors apply the core insights of Confucianism to hyper-modern issues facing mankind, including rising inequality, rampant individualism, and environmental degradation, particularly as they concern contemporary China. For those who despair that there is no alternative to the single-minded pursuit of profit in the economic realm and endless bickering of interest groups in the political realm, this book conveys a message of hope: it is surely possible to build a compassionate and humane society, even in today's hyper-competitive world of global capitalism.
