Normal Is Broken: What Is It That You Don t See (Paperback)

By Jeff Jones

2511 Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I remember looking up the definition one day of SNAFU. I had no idea it was an acrostic. As stated, situation normal all fouled up ! This is a global movement of epidemic crisis. Normal is broken! Is it too outrageous a thought, that because I have a passion for the truth (what I like to call the real), a sincere appetite for accountability, that a word spoken at the right time, in the right place, could set off a wave of reaction that would actually make humanity think? That there exists truth in such a transferable form that we could make conscious choices that defines out of the grey a black and white clarity that brings resolve and not more cover up. Why is it that although we have had partisan regime changes that the issues do not get resolved they just keep reshuffling the same deck? Accusations get made, and no follow through gets performed. I enjoy intelligent communication and a good talk show host, but why is it always the same story? Rouse...
