Amelia Morgan dreams of a handsome prince who would take one look at her and fall in love. Together they would find a dynasty of magnificent horses and live happily ever after. What she never counted on was her baby brother losing her beloved stallion to a slick card shark. Desperate not to lose her dream, she gambles that the threat of marriage would cause the card shark to cut and run rather than go through with a hasty marriage to a total stranger. Alex Laird is no dummy. He calls Amelia s bluff, fully expecting her to jilt him at the altar. Then the question of the horse s ownership would be indisputably his. These two stubborn foes go through with a hasty marriage, neither willing to let go of their claim to the horse. Stuck with each other for the time being, each comes up with a plan to secure their future. Unfortunately, their goals are once again at odds. For a while, Alex decides an annulment is the answer to their predicament. Amelia takes a different tact. She believes the only way to see her dream come true is to make Alex fall in love with her. The struggles that ensue become more than a battle of wills. It becomes a battle of the heart where dreams are won and lost at the turn of a card.
