Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

10 THINGS JESUS NEVER SAID: AND WHY YOU SHOULD STOP BELIEVING THEM

Baker Publishing Group. Paperback. Book Condition: new. BRAND NEW, 10 Things Jesus Never Said: and Why You Should Stop Believing Them, Will Davis, Too often Christians carry a lot of guilt and baggage when it comes to their relationship with God. The problem is that so many of us believe unbiblical, damaging things about how critical God is and how fed up he must be with us. But many of the things we think Jesus would say to us--things like "I can't believe you call yourself a Christian," "If you really loved me, you'd try harder," and "I'm so disappointed in you"--are things he never said. The solution, says Will Davis Jr., is to stop believing the lies and start believing the things Jesus did say. In 10 Things Jesus Never Said, Davis unmaskes commonly believed myths about our relationship with God and shows readers how to replace this pervasive theology of failure with the truth of how Jesus really feels about them. Discussion questions at the end of each chapter help small groups or individuals apply these truths to their current situations. Anyone who has ever felt that they didn't measure up to God's standards will love this freeing exploration of grace and forgiveness.
