Bloomsbury U.S.A. Children's Books. Paperback / softback. Book Condition: new. BRAND NEW, Spirits of the Noh, Thomas Randall, Kara's afraid to go to sleep--until the nightmares come when she's awake . . . Sixteen-year-old Kara Foster is an outsider in Japan, but is doing her best to fit at the private school where her father is teaching English for the year. Fortunately she's befriended by Sakura, a fellow outsider struggling to make sense of her sister's unsolved murder some months ago. No one seems to care about the beautiful girl who was so brutally murdered, and the other students go on as if nothing has happened. Unfortunately, the calm doesn't last for long. Kara begins to have nightmares, and soon other students in the school turn up dead, viciously attacked by someone . . . or something. Is Sakura getting back at those she thinks are responsible for her sister's death? Or has her dead sister come back to take revenge for herself? This first book in a frightening new trilogy will have teens glued the page and scared to go to sleep.
