Brand New Book ***** Print on Demand *****.AngularJS 2 Simple Guide on Web App Development AngularJS, just like the other Javascript frameworks, is a very useful framework for web developers. The framework is aimed at helping developers to create dynamic web pages for an application. Most people usually use devices with small screens so as to access the web. Examples of devices include mobile phones, PDAs, and tablets. This means that we need to develop web pages which can be supported on these devices. This is why the Javascript development team introduced the AngularJS 2 framework which assists developers in creating or developing mobile apps. This book will help you to learn this framework with much ease. Here is a preview of what you ll learn: How to create Components How to create forms in AngularJS 2 Directives, Views Expressions in AngularJS 2 Filters, Controllers, Services, Tables and so on Download your copy of Angular JS 2 by scrolling up and clicking Buy Now With 1-Click button.
