Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Samhain Publishing Ltd, United States, 2014. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Taking her captive could prove his innocence.or make her a target. Savage, Book 3 Agent and Alpha Nathan Larson has fled his pack, his agency and Washington State on a life-or-death mission to prove himself innocent of a savage massacre he s pretty sure he didn t commit. So far he s covered his tracks, but it s only a matter of time. He needs a place to hunker down under the radar, and he intends to make it happen. No matter who becomes collateral damage. Sage Christensen knows every shifter in this small California town, and the darkly attractive, brooding alpha attempting to flirt with her stands out like a flea on a white cat. She quickly realizes she was right to be wary when he follows her home and holds her captive. Despite her refusal to be a compliant victim, she can t deny their chemistry. Or the gut instinct that maybe he really is innocent. But with the trail of dead women growing longer, Sage begins to wonder if it was a mistake to trust her safety, her body-and her heart-to a man who has no idea how deep his dark side is buried. Warning: This book has an Alpha male on the run, and a quirky novelist destined to be his captive. There will be bloodshed, lovemaking, and excitement aplenty.
