Pursuant to a congressional request, GAO reviewed the Army's justification for its fiscal year 1991 operation and maintenance (O and M) budget, focusing on two of its major commands, U. S. Army, Europe (USAREUR) and U. S. Army Forces Command (FORSCOM). GAO found that there were 734 million in potential reductions, including 326 million from USAREUR and 407.8 million from FORSCOM, since the: (1) budget figures the Army submitted to Congress exceeded figures in budget planning guidance; (2) Army included costs to repair and maintain facilities at installations it planned to close; (3) Army did not consider the planned attrition of civilian personnel as a result of a hiring freeze; (4) Army lacked documentation to completely justify planned ground and air operating tempo amounts; and (5) Army cancelled some planned training exercises. GAO also found that the Army expected an O and M budget reduction between 5 and 10 percent and instructed its major commands to prepare for it. This item ships from La Vergne, TN. Paperback.
