

Learning from the textbook: oil and gas organic geochemistry(Chinese Edition)

Filesize: 3.9 MB

Reviews

This ebook can be well worth a go through, and far better than other. Sure, it can be enjoy, continue to an interesting and amazing literature. I am just delighted to tell you that this is the greatest book i have got study within my personal daily life and could be he very best publication for actually.
(Miss Susana Windler DDS)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2012 09 Pages: 273 in Publisher: Petroleum Industry Press. Learning from the textbook: organic geochemistry of oil and gas to organic oil generation theory point based system. discusses the evolution of the oil from the organic matter to the whole process of geochemical basic principles. mainly including biogeochemical basis of organic evolution and hydrocarbon generation. oil and gas reservoir geochemistry. To the theory and practice of combining the book briefly petroleum geochemistry in oil and gas exploration. Learning from the textbook: oil and gas organic geochemistry as universities exploration engineering. petroleum engineering. geochemistry. geophysical and other professional materials are also available to teachers. students and researchers of related professional reference. Contents: Introduction Chapter biological chemical composition of organic matter and the average composition of the first section II. section III of the lipid compounds of protein and amino acids the fourth quarter carbohydrates Section V pigment and lignin Section VI biological characteristics of Section I of organic compounds Section III of the two chapters of sedimentary organic matter first biosphere evolution section II of the geochemical cycling of organic carbon deposition of organic matter Profile section IV. Section V diagenetic stage of organic matter deposition characteristics in different environments to sedimentary organic evolution biomarkers Earth Section II of the fundamental characteristics of the the chemical first section biomarkers of n-alkanes Section 3 heterogeneous and trans isomers branched alkanes = the fourth quarter acyclic isoprenoid hydrocarbons Section 5 terpenes and steroids the Section VI aromatic hydrocarbons Section VII Chapter porphyrin compound kerogen evolution and hydrocarbon generation of the first section of kerogen related basics section II. Section III of the chemical reaction kerogen kerogen nature of changes...
