Createspace, United States, 2014. Paperback. Book Condition: New. Bilingual. 229 x 152 mm. Language: English . Brand New Book. Read and Write Chinese is a textbook for the students who are pursuing B.A. 2nd year, Diploma and Advanced Diploma in Chinese language and literature as a learning second language. The book is student friendly and infused with energy and enjoyment. This book is divided into four units. Each unit consist of different kind of stories, facts and cities description which make students(Users) to read and write in Chinese about their own thoughts. At the end of the every chapter there are additional words, which provide a totally a new look to the book. These additional words are taken from our day to day life . Which helps students to speak or explain their daily routine in Chinese language. Read and Write Chinese is a product of many years painstaking labour carried out with a passion and devotion to the cause of Chinese teaching. During the process of compiling this textbook, I have taken in consideration at latest research on the acquisition of Chinese as a second language, especially my own experiences of teaching Chinese as a second language and many other Chinese language teachers working on the front line. This textbook is divided into four units. Each unit contains practice sets to cope with the general needs of conducting daily communication, the sentence patterns and grammar are presented to students in an order that emphasizes functional usage and are arranged within situational topics. Necessary instructions have been given wherever required, so that learning Chinese and speaking become enjoyable. So, this textbook is designed and arranged the content on the basis of wide spectrum of knowledge and experience, both academic and practical. The book consist of a wide range of reading...
