Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.#1 Amazon Best Seller: Agile Project Management Broken Down So You Can MASTER The Methodology Today \*\*\*SPECIAL LIMITED TIME OFFER - (50 OFF)\*\*\* In the more traditional, Waterfall approach to project management, organizations only see the benefits of a project at the full time of completion or implementation stage. Through this waterfall methodology, projects that last over an extended period of time stigmatize an adjusted scope or schedule, even though the organizations that are completing them are constantly changing. It is, for this reason, amongst many other, that the Agile Project Management style has become so widely implemented in organizations spanning several different industries. Agile Project Management allows organizations to see benefits of their efforts in real time by dividing the project into smaller, more quickly implemented pieces. This approach, which contrasts the traditional methodology of implementing the entire project through phases, allows for stakeholders to adjust goals and resources in a more fluid manner than would be possible through the Waterfall methodology. This methodology and framework in which projects can be completed is not exclusive to the IT industry, where Agile has been most prevalent in the last few years. Rather, Agile Project Management can be applied to almost any type of project within most industries. In this book, We Will Teach You Everything You Need To Know About Agile Project Management so that you can comfortably and confidently deploy the techniques and strategies in your projects. We ll take you step-by-step through the lifecycle of an Agile project, show how to schedule iterations during your project and how to win over project stakeholders with this progressive methodology. Broken down into simple, easy to understand concepts, You...
