*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

## WE ARE HERE

Paperback. Book Condition: New. Paperback. 396 pages. Will anyone know we actually lived here in the UK or USA or Europe in 1000 years time Who remembers anything about the average citizen who lived in the UK 1000 years ago 1000 years ago was approximately the time of the Battle of Hastings, 1066, most schoolchildren and adults in the Western World know of this date. Vikings had raided the coast the previous year and caused havoc with the foreign merchants who would now not be willing to buy his surplus corn at Hastings market. All these troubles were causing him lack of sleep and constant worry and were a big problem for him and his worried wife, Berta. No one remembers Sigrids problems because, firstly he was probably illiterate and couldnt read or write, only the village priest could read...
