Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The last two decades have seen spiritual fictions that have stretched our imaginations and our emotions, such as the Left Behind series and the DaVinci Code. There have been many demonic creatures and demonic characters - some based purely on fiction, others based on biblical precepts, and still others based on fictionalizations of history. The spiritual world is not bound by the things we can see and touch and is therefore able to go well beyond the parameters of our physical environment. In this realm, nothing is impossible or off the table. One of the most written about characters in this genre is the Anti-Christ. What this book is and what it is not: This is a book about what is commonly referred to prophetically as the end times, but it is not a book that deals with the rapture of the saints or with the tribulation period of the end times. Although this work is set in that time frame, it does not rehash the same old end times scenarios but approached the subject matter in a fresh and...
