Gailforce Publishing, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Catholic fiction unlike anything you ve ever read! This heart-pounding adventure spanning forty years culminates in Childless, the third novel in Brian J. Gail s American Tragedy in Trilogy. The reader is propelled from Manhattan boardrooms to European capitals to Middle East laboratories to Church chanceries and confessionals. Step into these pages and follow Fr. John Sweeney and the families he serves as they struggle to live their Catholic faith in a world that grows more hostile with every turn of the page. Gail throws back the veil on the architecture of the Life Sciences Revolution and its carefully planned milestones - from the abortifacients pill to in-vitro fertilization to embryonic stem cell testing, and ultimately, to the very door of the Transhumanist project itself. You will see something of your own soul in these characters as they struggle to survive the great apostasy and navigate their way to the Church s promised New Springtime.
