CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. Ms. Lisa Fu (illustrator). This item is printed on demand. Paperback. 26 pages. Dimensions: 10.6in. x 8.2in. x 0.2in. A fun and engaging way for children ages 4-9 to learn to play the guitar 17 play-along songs with vibrant illustrations and quirky song lyrics Your child will learn to play along with music recordings using simple notation Audio recordings available online for download or streaming The music was professionally recorded by the author in a Minneapolis recording studio and the dynamic illustrations were done by designer Lisa Fu. Each song has lyrics that a parent/teacher or child can read before they learn to play the song. Simple music notation is printed at the bottom of each song and shows the notes that the child should play on their guitar. With the help of a guitar teacher or a parent that has some guitar knowledge, a young beginner has a high rate of success using this method book. After trying several children's method books without much success author, Kelly Weeks decided to create this book. He believes that learning to play music is similar to learning to speak, imitation should precede basic reading and writing skills. He developed this book as an answer for children 4 and up who truly want to play guitar but may not be ready to read music notation. This is not a comprehensive method for learning the guitar. It is simply a fun way for kids to learn to play along with music recordings and learn basic guitar techniques. The audio recordings can be found at <http://kellysmusicbooks.com/media> Watch the video demo here. <http://youtu.be/vu2mrW6K1zE> This item ships from La Vergne, TN. Paperback.
