I m not asking if you like to write, I m asking you if you re the real deal? Writers aren t people who like to write. Real writers are people who just don t see themselves doing anything else. Is that you? Well if it is, it s nice to meet you, buddy. If you re not one of them lucky bastards who managed to strike it rich by selling their books to traditional publishers then you probably belong to the big crowded community of unpublished authors. What if I told you there s a way to publish your books and make some real money along the way? You d probably say I was full of crap. Why don t you read this book and find out? WARNING! The content of this book includes the use of adult language!.
