Midnight in Peking: The Murder That Haunted the Last Days of Old China

By Paul French

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Midnight in Peking: The Murder That Haunted the Last Days of Old China, Paul French, "Midnight in Peking" is a gripping true murder mystery by Paul French. The international bestseller - as heard on BBC radio 4. "A first-rate murder story, a thrilling narrative. Hurtles along from one cliffhanger to the next". ("Spectator"). Peking, 1937: The teenage daughter of a British consul is brutally slaughtered. The police investigation is botched; as war looms British and Chinese authorities close ranks. A grieving father vows to uncover the truth - alone. Seventy-five years later, historian Paul French uncovers a stash of forgotten documents revealing the killer's identity. For those who loved "The Suspicions of Mr Whicher" and "Midnight in the Garden of Good and Evil" this is a riveting and evocative true crime classic. "Gripping, spellbinding .drawing the reader from the very first pages into an unwholesome, macabre world". ("Guardian"). "Part historical docudrama, part tragic opera .it is French's enormous achievement that he pieces together the puzzle. He tells this tale with the skill of an Agatha Christie". ("Financial Times"). "Fascinating and irresistible. I couldn't put it down". (John Berendt, author of "Midnight in...
