Can people with almost nothing in common find a reflection of themselves in each other. This is a novel of self discovery, a love story with a difference, a meeting and parting of minds. The boardroom world of Big Business and the word of Fine Art coincide in a remote Fenland retreat. Several lives become more complicated as love, unexpected as it is painful, crosses these boundaries. Success and failure, happiness and tragedy, all play their part amid the beauty of the English Fens. The haunting notes of Miles Davis trumpet, provides the backdrop as this page-turning story unfolds.
